Partnering for Green Talent

Grow your green business while strengthening your community.

We help employers in Mid and West Wales connect with young people who are eager to learn, contribute, and grow, supporting diversity and sustainability at every step.

Our team makes the green sector more inclusive and accessible, guiding you to tap into a diverse pool of motivated talent and create placements that are straightforward, rewarding, and impactful. By partnering with us, you can offer young people meaningful opportunities to gain the skills and experience they need for a successful career in the green economy.
